Commissioner Jane E. Henney
Food and Drug Administration
5600 Fishers Lane
Rockville, Maryland 20857

Dear Commissioner Henney:

Please add my name to those who are protesting the fact that livestock producers routinely add medically important antibiotics to animal feed to promote growth.

I will not insult your intelligence by explaining to you why. Let us just hope that you do not need post operative antibiotics such as Synercid and this medication does not produce the desired results.

Very respectfully yours,

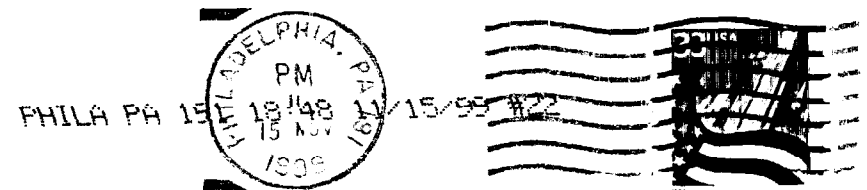

A handwritten signature in black ink, appearing to read "Robert H. Borski", with a long horizontal flourish extending to the right.

C. Congressman Robert H. Borski
